

# Keep Him Safe!

--his 250,000  
Godfathers No Longer Can!

Yes, he's a war baby, born after December 7, 1941, the date that will live in infamy. Since then some 250,000 American men have died that he might live and grow in a world of peace—that he may never have to take up arms to defend his country and his loved ones.

Our heroic dead have left us a legacy—and a trust. To us they have given the knowledge that free men will fight, and die, to preserve that freedom, not only for themselves but also for those who come after them.

To us, too, they leave the solemn duty of making certain that America will remain spiritually, economically and financially sound... truly a land of freedom and opportunity for little children, rich and poor, in a world at peace.

Think of those who fought and died—and then join with a generous heart and an open pocketbook in this last great Victory Loan. The money we lend will help to lay the groundwork of a finer, better America. It's our last great fight. Let's stand shoulder to shoulder till it's won.

## Condensed Parcel Post Guide and Christmas Package Advice Given

At the suggestion of the Torrance Herald and Lomita News Postmaster C. Earl Conner of Torrance and Postmaster Earl Fishel of Lomita present the following information for the use of readers in preparing their Christmas mail.

Christmas cards mailed at the third-class rate (1½c) are not worked with the regular mails and should be posted by Dec. 10 to insure delivery on or before Christmas Day. No written or type-written message may be enclosed. This class of mail cannot be forwarded from one address to another, and cannot be returned to the senders.

Cards with only third-class (1½c) postage are NOT mailable to members of the armed forces OVERSEAS.

Christmas cards mailed at the first-class rate (3c) are worked with the regular mails and should be posted by Dec. 15 to insure delivery on or before Christmas Day. Written messages may be enclosed. Mail of this class is forwarded from one address to another whenever the addressee has filed a change of address with the post office. In case delivery cannot be made, first-class mail is returned to the senders without additional cost if return address is shown.

Parcel post mail (fourth-class) includes packages of merchandise or Christmas gifts. Parcel-post or fourth-class rates are determined by distance and weight. The method of finding the cost of mailing is given below, together with examples of cities and states falling within each parcel-post zone. Mail of this class may be insured for \$5 for a 3c fee.

It is suggested that you clip this table of weights and charges for future reference:
